```
graph LR; A[PWR Status Flags] --> B[PWR Extended Exported Constants]
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text 'PWR Extended Exported Constants' on two lines. The box on the right is light gray with a black border and contains the text 'PWR Status Flags' on one line. A black arrow points from the right side of the gray box to the left side of the white box, indicating a relationship or flow from the status flags to the constants.
