

UART Exported Constants

```
graph LR; A[UART Address-matching LSB Position In CR2 Register] --> B[UART Exported Constants]
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text 'UART Exported Constants'. The box on the right is gray with a black border and contains the text 'UART Address-matching LSB Position In CR2 Register'. A black arrow points from the right side of the gray box to the left side of the white box, indicating a relationship or mapping from the register to the constants.
