

ADC Extended Exported  
Constants

ADCx CFGR fields

```
graph LR; A[ADCx CFGR fields] --> B[ADC Extended Exported Constants]
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text 'ADC Extended Exported Constants' in two lines. The box on the right is gray with a black border and contains the text 'ADCx CFGR fields'. A black arrow points from the right side of the gray box to the left side of the white box, indicating a relationship or mapping from the configuration fields to the exported constants.
