

UART Exported Constants

```
graph LR; A[UART Exported Constants] --> B[UART polling-based communications time-out value];
```

A diagram consisting of two rectangular boxes. The box on the left is white with a black border and contains the text "UART Exported Constants". The box on the right is gray with a black border and contains the text "UART polling-based communications time-out value". A black arrow points from the right side of the white box to the left side of the gray box.

UART polling-based
communications time
-out value
