

UART Exported Constants

```
graph LR; A[UART One Bit Sampling Method] --> B[UART Exported Constants]
```

The diagram consists of two rectangular boxes. The box on the right is shaded gray and contains the text 'UART One Bit Sampling Method'. The box on the left is white with a black border and contains the text 'UART Exported Constants'. A black arrow points from the right side of the gray box to the left side of the white box, indicating a relationship or dependency from the method to the constants.
