

ADC Exported Constants

```
graph LR; A[ADC group regular trigger edge (when external trigger is selected)] --> B[ADC Exported Constants]
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text "ADC Exported Constants". The box on the right is gray with a black border and contains the text "ADC group regular trigger edge (when external trigger is selected)". A black arrow points from the right side of the gray box to the left side of the white box.

ADC group regular trigger
edge (when external trigger
is selected)
